

FEDERATED CITY EMPLOYEES' RETIREMENT SYSTEM

DISABILITY COMMITTEE CHARTER

(ADOPTED APRIL __, 2023)

INTRODUCTION

WHEREAS, the Board has established a standing Disability Committee to assist the Board in carrying out its duty to administer disability benefits.

WHEREAS, on May 16, 2017, the City of San Jose ("City") adopted Ordinance No. 29904, which, among other things, amended Section 3.28.150 to the San Jose Municipal Code, mandating the creation of an independent medical panel of three (3) medical professionals ("medical panel") to evaluate and adjudicate all disability applications made by Plan members, in lieu of the Board.

WHEREAS, in compliance with San Jose Municipal Code § 3.28.150(b), the Board and/or the City twice solicited medical professionals to serve on the medical panel and twice failed to obtain any responses to its solicitation, thus making it impossible to carry out the mandate of Section 3.28.150(b).

WHEREAS, in lieu of establishing the medical panel mandated by Section 3.28.150 of the San Jose Municipal Code, the City and the Board have agreed that the Board shall continue to evaluate and adjudicate all disability applications made by Plan members.

WHEREAS, pursuant to San Jose Municipal Code § 3.28.150(a), the Board has entered into contractual arrangements for Board Medical Advisors and Independent Medical Examiners ("IME") to evaluate applicants' records and advise the Board, which is adjudicating disability retirement applications in the absence of the medical panel.

WHEREAS, the Board has secured the advice of Board-certified physician(s) as independent medical examiners the Board deems necessary to assist the Board in evaluating and adjudicating all disability applications made by Plan members, and continues to perform such services in lieu of the appointment of a medical panel.

WHEREAS, the Board wishes to modify its current practices for evaluating and adjudicating disability applications and to document the process it will employ for the benefit of all interested parties.
