Brief summary of information and knowledge gained:

The Pension Bridge Annual 2024 focused on
education, networking, and business creation for
institutional investors, asset managers, and
trustees.

Evaluation of the event:

Overall, I found the event to be extremely
informative. I believe it provides good insight
into what a CIO and our hired managers work on. In
addition, it had sessions with trustees best
practice

Recommendation concerning future attendance:

I would 100% like to attend again. As a member of
the investment committee, this conference makes
sense. Also, I would recommend investment staff
attend to meet managers and also hear trends

Other comments:

Thank you for the possibility to attend.
