

A woman with dark hair, wearing glasses, a white lace top, and a tan blazer, stands in a modern office with large windows. She is smiling and gesturing with her right hand while holding a tablet in her left. In the foreground, the back of a person's head and shoulders are visible, and another person's hand is seen writing on a notepad.

## 2026 Events

2026 Event Title — Organizer, Date, and Location	Overview and Audience
<b>Annual Health Benefits Conference &amp; Expo (HBCE) — International Foundation of Employee Benefit Plans (IFEBP)</b> <b>01/20-22/2026</b> <b>Ponte Vedra Beach, FL</b>	<p>This conference will focus on innovative strategies and best practices for improving health, wellness, and financial resilience in the workplace. Sessions will address aligning care for high-risk, high-cost individuals, integrating wellness and performance programs, designing sustainable benefits plans, and leveraging healthcare survey insights. Attendees will learn how to create inclusive benefits for Gen Z, support employee caregivers, and use AI to prevent opioid addiction. The conference will also cover legal issues related to self-funded health plans, lessons from health plan litigation, and the business case for adopting food-as-medicine initiatives. Additional topics include wellness program incentives, addressing obesity's impact, building a culture of wellness, empowering HR through AI, and demonstrating the value of stability in managing employee crises.</p> <p>— Open to All</p>

Fees:	Pricing information on main website.
<b>Legislative Conference — National Conference on Public Employee Retirement Systems (NCPERS)</b> <b>01/26-28/2026</b> <b>Washington, DC</b>	<p>The NCPERS Legislative Conference &amp; Policy Day offers public fund trustees and plan administrators a unique chance to advocate directly to Congress, the Administration, and federal agencies about public pension issues. On the first day, participants will engage with lawmakers, staff, and regulators to learn about upcoming legislative plans and pressing pension topics. The second day features scheduled congressional meetings, giving attendees the opportunity to influence public policy, build relationships, and strengthen their voice in Washington on behalf of the public pension community.</p> <p>— Open to All</p>

<b>Private Equity: Investing and Creating Value — The Wharton School, University of Pennsylvania</b> <b>02/01-06/2026</b> <b>Philadelphia, PA</b>		<p>This Wharton program on private equity addresses both the sector's recent surge in funding and the challenges it now faces, such as overheated markets, due diligence difficulties—especially in emerging regions—federal scrutiny over fee disclosures, and potential business contraction. Combining lectures from Wharton finance faculty and alumni leaders, the program covers key topics like asset pricing, cash flow forecasting with country risk, and specialized issues in emerging and frontier markets. Participants can tailor their learning to areas of interest, engage in case studies and group presentations, and gain insights from current research and industry experts. The curriculum is designed to provide a comprehensive understanding of the private equity landscape, practical tools used by managers, and firsthand perspectives from experienced Wharton alumni.</p> <p>— Open to All</p>
