Departments Implemented 40 Recommendations

Highlights of implemented recommendations in this period:

- ✓ **Housing Department:** Presented the final Rent Stabilization Program Strategic Plan to the City Council in September 2024.
- ✓ **Parks, Recreation and Neighborhood Services (PRNS):** Developed reporting and monitoring requirements for the Neighborhood Center Partner Program and presented actual service hours by agency to the Neighborhood Services & Education Council Committee.
- ✓ **Police Department:** The Department has begun collecting 9-1-1 data related to individuals with disabilities or homeless residents.
- ✓ **Code Enforcement:** Planning, Building and Code Enforcement implemented a case review policy and developed reporting tools to review and manage inspector workloads.
- ✓ **Children and Youth Services:** The Administration created a centralized portfolio to track programs and services, cross-referenced with the Bill of Rights for Children and Youth. Metrics from the Children and Youth Services Master Plan are also now expected to be presented annually to the City Council.

#21-04 12	To better set expectations for staff and address potential risks in its programs, the Department of Planning, Building and Code Enforcement should: a) Create and update Code Enforcement policies using a risk-based approach to identify where programs may not meet objectives, for example, incorporating policies or guidance for elements of supervisory review, documentation for deviating from policies, and for special programs, b) Combine the policies into a comprehensive digital manual, and c) Set a schedule for periodic review of policies and procedures to update as needed.	PBCE	Implemented		(a) Code Enforcement developed an overarching deviations policy, which will be added to its digital manual and distributed the policy to staff. To meet (b) and (c), Code Enforcement developed a comprehensive digital policy manual and a schedule for periodic review of policies and procedures. Code has created a priority matrix and work plan to update Code policies and procedures in the digital policy manual accordingly.		https://www.sanjoseca.gov/home/showpublisheddocument/76746

#10-02 2	Adopt a civilianization policy based on that of the International Association of Chiefs of Police or other best practices the Police Department identifies.	PD	Implemented	Auditor Update as of December 2016: The Department had developed and adopted a civilianization policy based on the IACP model provided in the audit.	http://www.sanjoseca.gov/Home/ShowDocument?id=33700
#10-02 6	Analyze its employment and assignment options regarding Brady officers and then develop a policy accordingly, based on the International Chiefs of Police model policy and other best practices identified by the Police Department. Should also consider whether to retain those officers and whether the work they perform, if administrative, could instead be performed by civilians.	PD	Closed	Auditor Update as of December 2016: In June 2010, the Department conducted research on best practices across jurisdictions in California to determine what other agencies were doing internally with Brady officers. Based on this, the Department developed a policy, which by December 2010 had been approved by the City Attorney's Office and District Attorney's Office. However, the adopted policy differed from the International Association of Chiefs of Police model in that it did not address how or whether Brady status could affect a sworn	http://www.sanjoseca.gov/Home/ShowDocument?id=33700
