

Source Selection Plan**5.1.3****PURPOSE**

It is the policy of the City of San Jose to develop a procurement plan referred to as a Source Selection Plan for procurements of equipment, materials, supplies, non-professional services as defined in CPM Section 5.1.8 and information technology as defined in CPM Section 5.1.9 with an estimated value above \$1 million to ensure an efficient, transparent, and open process. This policy outlines the process for establishing a Source Selection Plan (SSP) which includes outlining the procurement method, the Scope of Work, the vendor outreach, the estimated dollar value of the procurement, staffing allocation, evaluation factors and method, list of evaluators, and major milestones. The SSP documents an agreement between the Department Director(s) and the Chief Purchasing Officer regarding the procurement plan and objective.

AUTHORITY

Council Resolution, dated December 6, 2005, Item 3.6 (b), directing staff to implement an administrative Source Selection Plan.

POLICY

It is the policy of the City of San Jose to ensure that procurements of equipment, materials, supplies, non-professional services, and information technology with an estimated value above \$1 million follow a well-defined plan to ensure an open and transparent process and a timely completion of the procurement.
