THE LEVINE ACT

Senate Bill 1439 (“Levine Act”) amended Government Code Section 84308 and requires disclosure and recusal by a local elected official and some members of boards and commissions if they receive campaign contributions over \$250 from a party, a participant with a financial interest in a proceeding, or their respective agents. The Levine Act was an anti-corruption law intended to curb “pay-to-play” and enhance public trust so that decision-makers can maintain their independence from the influence of donations for political campaigns. SB 1439 expanded the scope from state agency appointees or appointed local officials to include local elected officials. Please visit
