Brief summary of information and knowledge gained:  
 This conference gave me an opportunity to compare notes with CIOs and public pension trustees on financial market conditions and portfolio construction to optimize returns on a risk adjusted basis.

Evaluation of the event:  
 It was a good event. I was able to meet some smart folks who gave me perspective on my duties as FED IC Chair.

Recommendation concerning future attendance:  
 I will consider attending again if my schedule permits. The event was good enough that it probably merits a second attendance.

Other comments:  
 Nothing comes to mind.
