## Introduction to The Cortex Report

Welcome to **The Cortex Report**, a bi-monthly publication that has been customized for your board. The Cortex Report identifies various conferences, seminars, courses and other education events over the coming months that may be of value to trustees and staff.

Education events are sorted in chronological order, and include information such as event name, event sponsor/provider, date, topic areas, fees, and a general description. Each event listing also contains a link to the event sponsor's website. If you are interested in attending an education event, please be sure to check the sponsor's website for complete details.

Please also note the terms and conditions for use of this report at the end of the report.

This seminar is held in conjunction with the Annual Conference and Exhibition. It is intended for new and novice trustees who are seeking a better understanding of their role and responsibilities as trustee of their pension fund. It also serves as a refresher for experienced trustees interested in staying up-to-date.

The program is designed with a clear focus on the educational needs of trustees who are relatively new to a pension plan board. The focus is on investing principles, board policies, and fundamental concepts that every trustee should know.

The second day of TEDS features the Asset Allocation Challenge, an interactive computer-based investment training exercise. Members are placed in groups and asked to select assets based on the given economic environment presented to them. This program is ideal for new trustees and can be repeated.

TEDS attendees can earn up to eight (9.5) hours of continuing education credits.

This is a trustee accreditation program specifically designed and tailored for individuals involved in public pension governance. It divides plan governance, oversight and administration into four modules. Each module delves into the fundamental components and strategies necessary for governing a public pension fund, allowing trustees and plan staff to walk away with the key competencies critical to their fiduciary responsibilities. The modules are offered two at a time (1&2 and 3&4), twice a year, and may be taken in any order. It is recommended that candidates first complete the Trustee Educational Seminar (TEDS).

Module 1 – Governance and the Board's Role  
Module 2 – Investment and Finance  
Module 3 – Legal, Risk Management and Communication  
Module 4 – Human Capital

Pension Bridge provides exclusive events for senior executives within the institutional investment management industry. Bringing together over 400 attendees from North America's largest investors and global asset managers, this day and a half conference offers an intimate environment to strengthen relationships, knowledge sharing and networking, discuss market trends and challenges, and refresh your knowledge of the investment industry. Seen as the darling of the investment community, private equity now faces significant headwinds globally. The outbreak of war in the Ukraine, rising inflationary pressure, and the threat of recession have provoked a massive reapproaching of spend. However, PE now has an opportunity to purchase distressed assets and tuck in and merge additional technology assets to make returns. This year we will explore these issues in depth, discussing the challenges the private equity industry has faced over the past 12 months, whilst offering an outlook on the trends that lie ahead.
