

A woman with dark hair, wearing glasses, a white lace top, and a tan blazer, stands in front of a large window, smiling and gesturing with her right hand while holding a tablet in her left. In the foreground, the back of a person's head and shoulders are visible, and another person's hand is seen writing on a notepad with a blue pen.

<b>Public Pension Funding Forum — National Conference on Public Employee Retirement Systems (NCPERS)</b> <b>08/16-18/2026 (Tentative)</b> <b>Chicago, IL</b>		<p>The Public Pension Funding Forum brings together trustees, administrators, policymakers, and experts to deepen understanding of trends and developments in public pension funding. Featuring presentations and debates by leading economists, including Nobel laureates, the event delivers objective analysis, research, and practical case studies on funding adequacy and reform initiatives. Attendees gain insights into the fiscal, political, and economic forces shaping pension systems, learn to distinguish rhetoric from fact, and explore solutions for sustainable funding. The Forum is designed for a wide range of stakeholders—including pension fund officials, legislators, the investment community, and researchers—and focuses on advancing educational programs and research to support the long-term health of public pension plans.</p>
