

# Employee Appreciation and Recognition

## 4.1.4

### PURPOSE

The purpose of this policy is to provide guidelines for employee appreciation events, employee events at the SAP Center at San José and the Sharks Ice at San José, and employee recognition awards, in order to promote the City's One Team values and to celebrate and encourage achievements that improve City operations and service delivery.

### SCOPE OF APPLICATION

This policy applies to all City employees under the appointing authority of the City Manager.

### POLICY

The following are separate appreciation and recognition options:

#### 1. Employee Appreciation Events

Departments may host team-building employee appreciation events which may include, but are not limited to, holiday and summer events. A maximum of \$40 of City funds total per participating department employee (employees actually attending the event) per fiscal year can be spent on appreciation events as described in this policy and shall be paid from each department's existing budget. Contractors are not City employees and are ineligible. An exception to the \$40 maximum of City funds per employee may be made if an eligible employee participates in a cross-departmental project specific appreciation event. The eligible employee may participate in up to two appreciation events per fiscal year: one department event and one cross-departmental event.

For employee appreciation events such as a picnic or luncheon, and in which City funds are spent on food and beverage purchases, refer to City Administrative Policy Manual, [Section 5.1.5 Food and Beverage Expenditure Policy](#). Food and beverages may be purchased for a non-regularly scheduled business meeting, per the City's Food and Beverage Expenditure Policy, and would not count toward an employee's appreciation event budget of \$40 per fiscal year. Retirements, birthdays, baby showers and other personal celebrations are not qualified employee appreciation events under this policy. Alcoholic beverage purchases are not reimbursable under this policy. Please see City Administrative Policy Manual, Sections [1.4.1](#), [1.4.2](#), [1.4.3](#) and [1.4.4](#), for information regarding limitations of alcohol use/possession while working and/or on duty.

Teams and/or workgroups that achieve exceptional accomplishments are eligible to attend employee recognition events at the SAP Center at San José utilizing the City Suite, or tickets to Barracuda home games at the Sharks Ice at San José. To prevent long backlogs of requests, departments are authorized a maximum number of awards per fiscal year based on their number of budgeted full-time equivalent employees (FTE), as shown in the table below, and can have one active request at any given time. In addition, the City Manager's Office may award up to six additional recognition events each fiscal year at its discretion.
