The background of the image is filled with various hand-drawn sketches in black ink. These include several bar charts with varying bar heights, some with diagonal hatching. There are also line graphs with axes labeled with 'x' and 'y', and some wavy lines. In the bottom right corner, a hand is visible, holding a silver pen and drawing a small 'x' on one of the charts. The hand is wearing a light blue sleeve. A semi-transparent grey rectangle with a blue border is centered over the image, containing the text 'Preliminary Results' in a bold, blue, sans-serif font.

- The purpose of this presentation is to present the preliminary valuation results and review the demographic assumptions for the City of San José Federated City Employees' Retirement System.
- In preparing our presentation, we relied on information (some oral and some written) supplied by the Plan. This information includes, but is not limited to, the plan provisions, employee data, and financial information. We performed an informal examination of the obvious characteristics of the data for reasonableness and consistency in accordance with Actuarial Standard of Practice No. 23.
- This presentation and its contents have been prepared in accordance with generally recognized and accepted actuarial principles and practices and our understanding of the Code of Professional Conduct and applicable Actuarial Standards of Practice set out by the Actuarial Standards Board as well as applicable laws and regulations. Furthermore, as credentialed actuaries, we meet the Qualification Standards of the American Academy of Actuaries to render the opinion contained in this presentation. This presentation does not address any contractual or legal issues. We are not attorneys, and our firm does not provide any legal services or advice.
- This presentation was prepared exclusively for the City of San José Federated City Employees' Retirement System for the purpose described herein. Other users of this presentation are not intended users as defined in the Actuarial Standards of Practice, and Cheiron assumes no duty or liability to any other user.
