Brief summary of information and knowledge gained:

Topics of discussion were ~~very~~ informative to  
shape investment strategy of plan.

Evaluation of the event:

① Presentation by consultant CEM on active  
management and value added was well done

② Private Market Benchmarking - not much new  
but certainly educational

Recommendation concerning future attendance:

Recommend engaging with CEM  
Other plans spoke about their strategy and  
shared info.

Would have been nice to have more P&F participation
