

Procurement and Contract Process Integrity and Conflict of Interest – Administrative Procedures 5.1.1

PURPOSE

The purpose of this policy is to establish the administrative framework for the implementation of Council Policy No. 0-35, titled “Procurement and Contract Process Integrity and Conflict of Interest.” The purpose of the Policy and these Administrative Procedures is to ensure integrity in the procurement and contract process, to educate City employees, consultants, uncompensated outside parties, and any person involved in the decision to award a contract about potential Conflicts of Interests, and to establish a process for screening of Conflicts of Interests.

AUTHORITY

Council Policy titled “Procurement and Contract Process Integrity and Conflict of Interest”, Council Policy No. 0-35, approved on February 6, 2007.

DEFINITIONS

“Procurement Authority” means the City Manager, Council Appointee, Director of Finance, Director of Public Works or such other person who has been duly authorized to procure a contract.

Procurement and contract processes are defined as, but not limited to: specification development, preparation and issuance of solicitations, evaluation of solicitations and submissions, and other evaluations which lead to an award of a City contract.

POLICY

It is the policy of the City of San Jose to provide a fair opportunity to participants in competitive processes for the award of City contracts by promulgating integrity and removal of Conflicts of Interest through the inclusion of a communication protocol, respondents’ code of conduct, confidentiality during the evaluation process, and conflict of interest in all competitive solicitations. Any allegations of Conflict of Interest or misconduct brought to the attention of City staff shall be investigated.

CONFIDENTIALITY DURING THE EVALUATION PROCESS

City staff, consultants, and outside evaluators, who are participants in the evaluation process are required to sign a Confidentiality Agreement, which binds the participants not to share any information about responses received and the evaluation process until the City issues a Notice of Intended Award.

CONFLICT OF INTEREST IN PROCUREMENT

In accordance with City Policy Manual Section 1.2.1, Code of Ethics, “City employees and officials are expected to avoid any conflicts of interest.” Further, employees should avoid the appearance of conflicts of interest in order to ensure that City decisions are made in an independent and impartial manner.

Procurement and Contract Process Integrity and Conflict of Interest – Administrative Procedures 5.1.1

Council Appointees are required to take measures to ensure that the City avoids any conflict of interests in procurement processes of City contracts, including:

1. Professional procurement and contracting staff and others who regularly participate in contract activities on behalf of the City must disclose relevant financial interest as required by State Law and by City Policy and to annually review those statements in conjunction with this Policy and other ethical standards.
2. Other persons involved in procurements must review Council Policy No. 0-35 and other ethical standards and provide information in order to determine if there is a conflict of interest. Such persons shall include, but are not limited to:
 - a. authors of specifications
 - b. paid and unpaid evaluators
 - c. paid and unpaid consultants who assist in the procurement process
3. If a possible conflict of interest is identified, it must be reviewed and documented with the City Attorney's Office.

In order to implement the Council Policy, all City officers and employees involved in procurements or contracting activities shall adhere to the Procedures set forth below. The attached forms are subject to revision and modification on a case-by-case basis in consultation with the Chief Purchasing Officer.

EXCEPTIONS

The following competitive processes are not subject to the **procedural** requirements of this policy (See Council Policy 0-35, Procurement and Contract Process Integrity and Conflict of Interest):

1. Any contracting activity with an estimated value less than \$100,000.
2. Disposition of goods as described in the Municipal Code Section 4.16.
3. Award of grants by the City with a value below \$10,000.

Designation of these exceptions from the Administrative Procedures is in no way intended to indicate that persons involved in these purchasing activities are exempt from State and City conflict of interest laws. Persons who are involved in making contract decisions are responsible for complying with the rules to which they are subject.
