Brief summary of information and knowledge gained:

Better understanding of the private markets, specifically private credit and equity. Learned about opportunities outside of the US and current expectations.

Evaluation of the event:

Event was informative from an investment perspective. You got the opportunity to speak to guest speakers 1 on 1 and other experts in the industry. Format was excellent with panel speakers along with fireside speakers. Each session was short which kept the event quickly throughout the day.

Recommendation concerning future attendance:

Recommended for Trustees who sit on the investment committee or has good knowledge of investments.
