SUBJECT: Administrative Budget vs Actual Expenses for Fiscal Year-To-Date Quarter Ended March 31, 2023 (Accrual Basis)

## Memorandum

FROM: Roberto L. Peña

DATE: April 19, 2023

Attached is an itemized list of the Administrative and Professional Budget vs. Actual Expenses for the Federated City Employees' Retirement System for the fiscal year 2022-2023 quarter ending March 31, 2023. The Budget vs. Actual expenses represent all administrative and professional fees processed by the System, excluding benefit payments and investment related fees.

This budget vs. actual expense report ending March 31, 2023 has some notable variances: personnel expenses are lower than the quarterly budget due to staff vacancies. Professional services expenses are over the quarterly budget due to an increase in temporary staff expenses. Overall expenses are within the approved annual budget for each category, even though there are overages in some line items. The approved budget is based on categories and not line items.

## Certification

All Budgetary, Actual and Accrued expenditures for the fiscal year quarter ending March 31, 2023 were either approved by the Board or directly authorized by prior Board actions or policies.

## Recommendation

Staff recommends acceptance of the Federated City Employees' Retirement System Administrative and Professional Budget vs. Actual \& Accrued Expenses report for the fiscal year 2022-2023 quarter ending March 31, 2023.
