Introduction to The Cortex Report

Welcome to **The Cortex Report**, a bi-monthly publication that has been customized for your board. The Cortex Report identifies various conferences, seminars, courses and other education events over the coming months that may be of value to trustees and staff.

Education events are sorted in chronological areas, and include information such as event name, event sponsor/provider, date, target audience, topic areas, fees, and a general description. Each event listing also contains a link to the event sponsor's website. If you are interested in attending an education event, please be sure to check the sponsor's website for complete details.

Please also note the terms and conditions for use of this report at the end of the report.

This is a trustee accreditation program specifically designed and tailored for individuals involved in public pension governance. It divides plan governance, oversight and administration into four modules. Each module delves into the fundamental components and strategies necessary for governing a public pension fund, allowing trustees and plan staff to walk away with the key competencies critical to their fiduciary responsibilities. The modules are offered two at a time (1&2 and 3&4), twice a year, and may be taken in any order. It is recommended that candidates first complete the Trustee Educational Seminar (TEDS).

- Module 1 – Governance and the Board’s Role
- Module 2 – Investment and Finance
- Module 3 – Legal, Risk Management and Communication
- Module 4 – Human Capital

See the website for more information about the program.

Seminar : Geopolitics and Investing

Start Date: April 06, 2021

Organizer: BCA Research

End Date: April 06, 2021

Location: On-line

Alternative Date(s) & Location(s) N/A

Difficulty: General

Topic Area: Investments

Attendance: Open To All

BCA has been an independent provider of global investment research for over 65 years. Geopolitical analysis is an essential component of a sound investment strategy. Shifts in the global balance of power away from the U.S., growing demands for populist policies in Anglo-Saxon economies, and the 'crisis of expectations' among EM middle classes reinforce the view that geopolitical risk to investment portfolios is not a fad.

Attendees will develop an understanding of how geopolitical risk should be measured, how politics can impact investment returns, and what primary geopolitical and political trends will influence economic growth and market dynamics.
