

Virtual Program Principles for Trustees 2021

*Featuring abbreviated sessions from CALAPRS popular annual program
for new public pension fund trustees*

About The Program

Public Pension Fund Trustees bear a heavy fiduciary burden. On a cumulative basis, California's Constitution holds our members' **350** Trustees accountable for the stewardship of more than **\$450** Billion in retirement fund assets. **40** California public pension systems belong to CALAPRS. For many years, Trustees of our member retirement systems have participated in CALAPRS' unique training programs presented exclusively for California public retirement system board members.

The in-person Principles of Pension Governance for Trustees program held at Pepperdine University has been postponed until 2022. However, to continue CALAPRS' mission of providing education for trustees during these unprecedented times, we have arranged with our faculty of subject-matter experts to present abbreviated versions of several key educational topics from this program in an online format in 2021.

It is our hope that those who attend the online program this year will be able to join us next year as well, to experience the full educational program and the full agenda of important topics and networking that are offered in-person at Pepperdine.

Who Should Attend?

The course is for Trustees. Attendance is recommended within the first year after assuming office. Experienced Trustees will use the program as a comprehensive refresher course.

Faculty

The Course will be taught by public pension practitioners, including Consultants, Actuaries, Investment Managers, & Administrators.

How to Participate – The Virtual Platform

The program will be held using the Zoom Meeting platform and attendees will need to participate using their computer or mobile tablet in order to access the visual portion of the sessions. Audio may be accessed by dialing in by phone or through computer audio using the Zoom platform. Detailed access instructions will be sent to each participant upon registration.

CALAPRS plans to make this course interactive and allow attendees the option to enable their audio and video and participate actively in the discussion, as facilitated by the moderators. In addition, a chat box will be available for attendees to communicate with each other in writing, as well as a written Q&A feature to submit questions directly to the presenters / moderators.

The Curriculum

All course materials are based on actual California public pension fund law, policies, practices and problems.

Tuesday, September 28, 2021
