2. Oral Update by CIO, Prabhu Palani.

CIO Palani introduced today's agenda to the Committee.

3. Presentation of FX transaction cost analysis by Klarity FX.

Mr. Amo Sahota from Klarity FX presented the process and cost analysis of the foreign currency exchange for the Federated Plan. The biggest change for the year was the shift of the custodian from State Street to BNY Mellon. Mr. Sahota expressed that the FX execution costs remain consistent with prior years.

4. Presentation of equity transaction cost analysis by Aber Noser.

Ms. Mary Davidson from Abel Noser presented the process and cost analysis for trading costs of the Federated Plan. Ms. Davidson expressed that the execution costs were analyzed and found to be consistent with market averages.

5. Discussion and action on strategic asset allocation by Meketa Investment Group.

Ms. Laura Wirick and Mr. Frank Benham from Meketa presented the current asset allocation and alternative options for the Pension Plan. Ms. Eileen Neill from Verus provided a risk analysis on the various options. After a through discussion, the Trustees asked Meketa to provide additional mixes for further discussion at the board meeting.

6. Discussion and action regarding the prefunding of the City's retirement contribution.

Senior Investment Officer, Jay Kwon, proposed a revision to the methodology of the calculation of the prefunding discount rate. Mr. Kwon introduced the third metric, cyclically adjusted price to earnings ratio (CAPE) to account for the current market environment. The Committee agreed that it was a reasonable addition.
