

The screenshot shows a web application interface for "Governing Documents". At the top, there are navigation tabs for "Upcoming Board Meetings", "Police & Fire 06/17/2026 VIEW", and "Federated 06/18/2026 VIEW", along with a "View All Events" button. The main heading is "Governing Documents". Below this, a breadcrumb trail reads "Boards > Police & Fire > Governing Documents". The interface is divided into a left sidebar and a main content area. The sidebar has two main sections: "Police & Fire" and "Federated", each with sub-links for "Trustees", "Agendas, Minutes and Audio", "Governing Documents", "Board and Committee Meetings", "Board Elections", and "Board Consultants". The "Governing Documents" link is highlighted. The main content area has three tabs: "Governance Framework", "Charters", and "Policies". The "Charters" tab is active. Under the "Charters" tab, there is a list of 12 charter documents, each with a document icon and a title: "Audit Committee Charter", "Board Chair Charter", "Board of Administration Charter", "Board Vice-Chair Charter", "CEO Charter", "CIO Charter", "Council Representative to the Board Charter", "Disability Committee Charter", "Governance Committee Charter", "Internal Audit Charter *", "Investment Committee Charter", and "Joint Personnel Committee Charter *". A footnote at the bottom states: "* Document is applicable to both Police & Fire and Federated".
